## Gospel Reflection

**"...the kingdom of God will be taken away from you and given to a people that will produce its fruit ..." Matthew 21**

Like the tenants entrusted with the vineyard in today's Gospel, we have been entrusted with life from God. Life is given to us in trust. We are expected to cultivate and manage this life in such a way that it bears good fruit - fruit that we can present to God the owner of our lives on the day of reckoning. Although God provides us with everything we need to produce a fruitful harvest, we have to be careful not to squander this eternal opportunity.
